Description

SEAKHOUSE II is a well maintained, spacious family cruiser. With 3208TA 435hp CATS (1,552hrs), this Tiara easily cruises at 25-27kts, with top speed over 30kts. Her 14'6" beam allows spacious accommodations for 4-6 in two staterooms, with extra convertible sleeping in the large salon. There is a complete galley and a second head. Fully Airconditioned, 9kW Generator and Cablemaster. Twin transom doors lead out from the spacious cockpit to an extended swim platform with built in storage into the transom storage trunk.

ACCOMMODATIONS

Comfortable accommodations for a total of 4-6 in two staterooms with extra sleeping on the convertible salon settee.

Double berth forward in MASTER STATEROOM with storage under the centerline berth, twin hanging lockers and under berth storage. Overhead opening hatch, with screen and shade provide light and ventilation. Heat and A/C control, TV. The MASTER HEAD is adjacent and includes a large separate shower stall with curved door, a vanity with mirror, storage and lighting, ample storage, hot and cold pressure water, and a Vacuflush freshwater head.

Next aft is the spacious SALON, with starboard side curved white leather lounge allowing seating for a small crowd around the large expandable table. Storage beneath the seats. Portlights and overhead opening hatch, with screen and shade provide light and ventilation to the salon. The mid-cabin area has a full 7 foot headroom. Two additional seating stools attach with floor sockets for stability. Dinette converts to a large berth. A/C and heat controls.

The entertainment center includes a Sony FM/AM stereo receiver STR-DE197, and a Denon DVD player with 5-DVD changer DVM-1815. New Vizio TV (2022) above on an adjustable bracket.

On the port side is the open L-shaped GALLEY with additional portlights above, stainless steel sink, hot and cold pressure water, Princess Gourmet 3-ring electric stove top. LG convection microwave oven and coffee maker above the white laminate counter. Above and below the countertop is excellent galley storage. There is a Sub-Zero refrigerator and a separate freezer

Aft of the salon is the DOUBLE AFT CABIN with adjacent seating and a vanity with mirror and lighting and HEAD underneath the seat.

Steps lead aft and up, through the sliding door, to the HELM DECK with helm controls, electronics and extensive seating to starboard. The Helm seat is electrically actuated. Aft of the helm area is a large COCKPIT with bench seats forward and aft, (with extensive storage under the seats), a hydraulic table, which elevates from below. The Helm and Cockpit seating easily accommodate 12 persons. There is a wet bar and icemaker. Access to the engines is through the center section of the forward cockpit seat, with lift-assist from gas struts.

Twin transom gates lead down to the extended swim platform. (Note: There is some softness in parts of the swim platform). Built into the transom is a huge hydraulically-opened storage area/garage. There is space with hookups for a Washer/Dryer, but none is currently installed. Hot and cold fresh water shower, plus saltwater and freshwater washdowns. The swim platform has dinghy davits and tiedown cleats.
