Designer: **Kenneth L. Smith**

Builder: **Grand Banks Yachts**

ACCOMMODATIONS

ACCOMMODATIONS: Sleeps a total of four in two staterooms, with a convertible salon settee offering occasional sleeping for two additional overnight guests.

MASTER STATEROOM is forward with Centerline Berth, drawer storage under the berth, additional drawer storage either side of the berth, overhead hatch with screen and shade, opening ports with screens, reading lamps, two large hanging lockers, full length mirror and access to the private enclosed Head.

The **GUEST STATEROOM** is next aft, to port, offering twin berths with drawer storage underneath, a hanging locker/bureau in between, mirror, overhead opening hatch with shade and screen and an opening port with screen.

Opposite the guest stateroom is the **HEAD**. The private, enclosed head is bright and features white bulkheads with custom added varnished teak trim, an enclosed shower stall with teak grate, white Corian vanity, storage above and below, a mirror, hot and cold pressure water and a Vacuflush head. There is an overhead hatch with screen and shade and an opening port with screen over the vanity. Access is from the master stateroom or across from the guest stateroom.

Three steps (with storage underneath) lead up to the salon, with U-shaped **GALLEY** to port and to starboard, the lower helm with pilot door to side deck. The GALLEY comes equipped with two stainless steel sinks, hot and cold pressure water, a Princess Ceran Stove Cooktop with overhead exhaust fan, Wolf Microwave Convection Oven below, 12V Norcold Refrigerator w/freezer compartment and Grand Banks teak door, Top Loading Freezer (which can be temperature controlled to refrigerator), white Corian countertops, drawers and lockers below - ample counter and storage space everywhere. There is an under-counter glass storage cabinet and a spice and dry goods cabinet across from the galley.

Opposite the galley is the **LOWER HELM** with teak instrument enclosure, complete instrumentation, teak rimmed steering wheel, fixed helm seat with custom teak back and door to the outside deck. Aft of the helm seat is a bar cabinet with storage underneath.

The **SALON** provides comfortable seating for 4-6 in two custom barrel chairs and on the L-shaped settee. The settee offers storage underneath and can be pulled out for additional guest sleeping. A Grand Banks varnished teak Hi-Lo table with leaves and inlay is in front of the settee. Convenient, beside the settee, is a cabinet with drawer and storage under, and an additional cabinet above.

Salon and lower helm visibility is excellent for helmsman and guests, while opening ports and windows offer ventilation and light. Curtains may be closed for privacy while mood lighting behind the salon teak valances provides evening ambiance. The interior decor is tasteful and classic.

Throughout is custom rich High-Gloss varnished teak cabinetry and a satin varnished teak parquet sole. The Herreschoff interior (teak trimmed white laminate bulkheads), is bright, spacious and airy.

Two sliding teak and glass doors open out from the salon to the covered **COCKPIT**. There is a large lazarette cockpit sole hatch with ladder to both spacious storage below and to the aft end of the engine room. Additional lazarette storage is under the cockpit.

On the portside of the cockpit, stairs (with cabinet storage underneath) lead up to the **FLYBRIDGE**. Twin new Stidd helmseats, a well laid out helm console with complete electronics, instrumentation and a stainless steel rimmed teak wheel all allow easy navigation. Guests enjoy the cruise or relax in port on the large L-shaped settee with adjacent teak table. The extended Bimini top allows comfort for all from the elements.

BROKER COMMENTS:

BROKER COMMENTS:

Rarely, has this broker seen a Grand Banks so impeccably and beautifully maintained. Solely used in New England, always given top professional and mechanical maintenance, recent exterior vanish just completed, decks clean, bottom painted, canvas and enclosure are fresh. Clearly, "Pride of Ownership" is evidenced inside and out.
